### *Commodore's Report:*

The New Year has begun. The Holiday season with all its hustle and bustle is now behind us. In our own household the illness of cold and other sinus infections have now subsided and I need to bring the Bridge together this month to plan out 2015! We look forward to a great 2015 with all the events that the boat club will be doing!

Again thank you to the previous Bridges that guided the boat club in the past years. Your commitment to the organization has been deeply appreciated!

Just to review from the statements I made in last month's Bilge...

Let's all pull together and make this coming year a fantastic one! **First and foremost on the agenda is -TO HAVE FUN!** Being in the boat club is not drudgery but a social affair hanging out with fellow boaters and kicking back with a brew or two (or glass of wine) at the club house.

**Second;** Attendance to our functions needs to increase. Increased attendance brings in more revenue for operating expenses. If any of you have suggestions call or email me right now! In addition, we will need every member to work on at least one (1) of the events but please feel free to participate in more. Members not committing to at least one event will be assigned per the Standing Rules and Bylaws of the Club.

And yes the membership handbook will be approved at our next regular meeting and EVERYONE will have an updated copy.

**Third;** we have some clubhouse work to be done to spruce up the clubhouse inside and out. A list will be available after the Bridge meets. One of thing to make the clubhouse attractive is to keep the grounds looking good and the inside clean for visitors and members. It will be an 'all hands on deck' for everyone. But even though the inside and out will look good, let's all have a big happy smile that will attract new membership!

**Fourth;** Most important in fostering comradeship and even more fun, plan on attending as many cruises as you can either by land or sea (lake.) Our Fleet Captain Marty had some wonderful land and water cruises last year. Let's all do whatever we can to increase attendance!

**Fifth;** And I do want this to happen ASAP! Do you have a picture of your boat? (Past or present) Either get an 8X10 copy of it or email it to me. I wish to have the members boats posted on the wall in the clubhouse.

**Sixth and Lastly;** Members who own a business, please send your business card to me, Al Zanni, 100 Brandemere Ct., Elyria, Ohio 44035 A.S.A.P. I want to include them in this Bilge for any product or service you offer! Thanks.

So 2015 is here. Let's be a TEAM and make it a good one!

T - Together

E - Everyone

A - Achieves

M - More

**Vice Commodore's Report....**

Wishing you all a healthy and happy 2015!

As Vice Commodore there is little to report. There are no projects for the month of January, but stay tuned to when Bob is ready to do the floors.

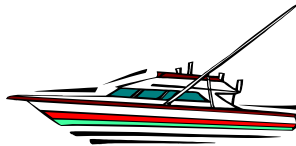

As the Christmas party organizer, I would like to thank Jan, Jerry, Sandi, Kathy and Harry for all their help in putting up the club tree and decorating the club. Also, thanks to Kathy, Sam, Jerry, Sandi and Harry for helping with the food the night of the party. Thanks go out to Jan and Moneva for doing the gift exchange and to Jo, Sharon and Rich and Joe for clean up after the party. Also, thanks to the Zannis for the raffle basket and to everyone who came to enjoy the evening. Hope I didn't forget anyone. Thanks to Joe and Lynn for taking the trash as I hate that part of this job.

I guess that is it for this month. Stay healthy!

Vice Commodore, Sue Chambers
