## Commodore's Report:

Ahoy mates!

Goodness it has been a very busy several months for me and the family! We just finished the play performances we participated and now it IS TIME to think – BOATING!!! So Spring is here so start the boating socializing! Looking forward to a successful rib roast that is planned this month! Promote it to everyone!! I wish to thank Marty Matthews for organizing a phone tree. Many years ago this was in place to effectively contact members for events and for other news items that needed to be addressed ASAP. It will be sent out very soon. Speaking of which the summer events are now in full swing! So look to commit just a few hours to serving whenever you can. If you would like to chair an event, you still have a chance to do so. The list of events are below the calendar so check it out. Unfortunately we never got notified of a Beaver Park boater open house where we could have promoted the club. I will put on the thinking cap to see how we can get the word out to Beaver Creek boaters.

Well see you at the clubhouse!

Commodore Al Zanni

**Next meetin will be May 8th, Friday, 7:30 p.m. The next event will be the Rib Roast, May 16th. See flyer for details. Check out the List of 'things to do around the clubhouse' V.C. Sue posted.**

## Vice Commodore's Report....

Thank you, Bob, Joe, Jim and Harry for coming to the work party in April. Although, there were only a few of us we managed to get most things ready for summer. The outside windows still need to be cleaned and the screens washed.

Jim has put up fishing line to hopefully keep the geese away. There is yellow tape on it, so be aware when you are at the boat club so you do not trip over it.

After the work party, Bob and I did a walk around the outside of the building to see what needs to be done. The following is a list of projects that need tending to.

The first two, we would like done as soon as possible and if you think you can help please call Bob at 440-337-0513 for a day and a time.

1. Fill in low spots on grass between sidewalk and grass and other low spots
2. Replace wood cover or fill in whatever it is covering by the covered patio
3. Repair kitchen window and large window
4. Repair downspout on SE corner of building
5. Scrape and paint eaves and wood on building
6. Patch holes in vinyl siding on shed
7. Fill in holes made by animals around shed
8. Grease shed door track
9. Caulk or point bricks around the club house
10. Reset gutter spikes
11. Re-cement door seals
12. Clean out drain by rope fence

This is quite a list. IF you have any questions or would like to help please call Bob at the above number or you can call me at 440-988-2075.

Reminder that our Rib Roast is May 16<sup>th</sup>. If you haven't already made you reservations please do so soon. Also, invite your family and friends so this will be a great event.

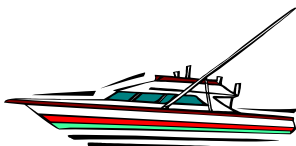

Thank you all in advance for any help you can give to make our club house beautiful.
